Re: College Uniform

Dear Parents and Caregivers,

At Paraparaumu College we place a high value on students wearing their uniform with pride as one way of acknowledging that they belong to “one team, one school, one community”, and so felt that it was time to revamp our school uniform. At a meeting of the Board of Trustees Board we have confirmed that the school uniform code be upgraded and modernized, and to be introduced in 2011.

A uniform committee has been established, made up of representatives from the Board, Students, Staff, Management, and Parents. The committee has spent time researching & consulting ideas, and now has a proposal for the new uniform.

This uniform will be displayed at the Parent / Teacher interview evening on Thursday 6<sup>th</sup> May in the Student Centre. Over the page is a description of the proposed new uniform, and a survey form with some options regarding how you would like the uniform to be introduced into the school.

We appreciate your feedback and ongoing support, as together we maintain the high standards for which this school is valued and recognised.

Regards,

**Sue Ordish**  
Chairperson, Paraparaumu College Board Of Trustees
